OPRAH:

"My philosophy is that not only are you responsible for your life, but doing the best at this moment puts you in the best place for the next moment."

"Breathe. Let go. And remind yourself that this very moment is the only one you know you have for sure."

"Lots of people want to ride with you in the limo, but what you want is someone who will take the bus with you when the limo breaks down."

"Every one of us gets through the tough times because somebody is there standing in the gap to close it for us."

"Forgiveness is letting go of the hope that the past can be changed."

"Cheers to a new year and another chance for us to get it right."
