St. Leo Catholic Church YACHT Club

The **YACHT Club** is a group of adults in their 20s and 30s who gather to make friends, socialize, pray and serve our parish and civic communities. YACHT is an acronym for Young Adults Coming Home Together. We come from all walks of life, married or single, and with or without children.

We don't actually have a yacht, but we rent canoes once in a while.

We meet in and around St. Leo Parish for spiritual, service, and social activities.

Spiritual

Although spirituality is the anchor of everything we do, certain activities have a direct spiritual focus. Some of the things we have done in the past

year include: sitting together at weekly Mass, praying the rosary together using different themes, scripture study, prayer reading/reflection/meditation, trip to Joslyn Art Museum to see illuminated Bible, and outdoor Masses.

Service

We want to make a splash in our communities by putting our faith into action. Therefore, we serve in a variety of roles. We have served others in Omaha by: making dinner for families at the Ronald McDonald House, Habitat for Humanity, serving food at Siena Francis House, sponsoring children for Christmas gifts and back-to-school supplies, and initiating service projects with various charity partners. We also serve our parish community by working at the Lenten Stew and Brew, assisting with St. Leo

Mardi Gras celebration and annual church picnic, and helping with our parish's high school youth group events and service projects.

Social

Work, Pray, and Play—the three sails of the YACHT Club! We have a mix of fun activities in and out of Omaha including: the Road Rally city-wide scavenger hunt, bowling, drive-in movie theatre in church parking lot, ice skating, Niobrara canoe trips and Colorado ski trips, Oktoberfest with polka

lessons, Shakespeare on the Green, weekly sand volleyball teams, botanical garden visit, annual progressive dinner at member's houses, hayrack ride,

Cinco de Mayo celebration, game nights—board game and sports nights, Lincoln Haymarket excursion, happy hours and book club.

No young adult group is an island.

We connect with our peers from other parishes in the diocese through events such as:

Theology on Tap, Pilgrimage to the Holy Family Shrine, running/walking group, and Pizza with a Priest.

We invite you to attend any of our events! No registration forms, passports, or lifejackets required!!!! For a current list of events, check out the parish bulletin at Mass or at <http://www.stleo.net>. If you are interested in receiving our bi-monthly calendar and newsletter via e-mail, please contact any YACHT club member or John Gencarelli by phone or e-mail, listed on the back of this brochure.
