## St. Leo Baptism Class helps parents to:

- Enrich their understanding of the meaning of the sacrament of Baptism;
- Recognize that physical care of children and spiritual formation go hand-in-hand
- Become aware of how the arrival of a baby changes family dynamics

Classes are offered every other month and are required for first time parents: after the birth and prior to the Baptism of your baby. Both parents are strongly encouraged to attend the class, whether or not both are Catholic. Godparents should feel free to attend, and your newborn is welcome. Please register by completing the form below and returning it to the office one week prior to the class. **We cannot guarantee class availability for forms received after the deadline.**
